

# Les sports en France

Levels N-3

Due in week of 20th February

Nom: \_\_\_\_\_ Classe: \_\_\_\_\_

We all have an opinion on sport whether we like it or not. Some of us like playing sports, others like watching. There are thousands of different types of sporting activities around the world. Through your French project, you are going to be finding out about sport in France! 😊

This is your checklist for your project. Tick the box once you have completed the task.

I have answered the five research questions	
I have looked up the words in the dictionary and drawn a picture	
I have written short sentences and a paragraph in French	
I have found out about the sports personalities	
I have compared sports in France and Britain	

We of course want you to do well - but know that some of you do not have internet access at home. For the time of your project, the MFL block will be open from 1.00pm so that you can borrow a laptop and talk to a teacher if you need to 😊

Here are some very popular sports, but none of them look like English words. Use a dictionary to discover the sport and draw a picture of the sport 😊

<b>l'équitation</b>		<b>le tir à l'arc</b>	
<b>la natation</b>		<b>le ski nautique</b>	
<b>le VTT</b>		<b>l'alpinisme</b>
