

Les sports en France

Levels 3-5

Due in week of 20th February

Nom: _____ Classe: _____

We all have an opinion on sport whether we like it or not. Some of us like playing sports, others like watching. There are thousands of different types of sporting activities around the world. Through your French project, you are going to be finding out about sport in France! 😊

We of course want you to do well - but know that some of you do not have internet access at home. For the time of your project, the MFL block will be open from 1.00pm so that you can borrow a laptop and talk to a teacher if you need to 😊

Here are some very popular sports, but none of them look like English words. Use a dictionary to discover the sport and draw a picture of the sport 😊

l'équitation		le tir à l'arc	
la natation		le ski nautique	
le VTT		l'alpinisme
