1. Exam Contingency Plan 2021

Purpose of the plan:

This plan examines potential risks and issues that could cause disruption to the management and administration of the exam process at The Adeyfield Academy. By outlining actions/procedures to be followed in case of disruption it is intended to mitigate the impact these disruptions have on our exam process. Alongside internal processes, this plan is informed by information contained in the Joint contingency plan for the examination system in England, Wales and Northern Ireland. It is the responsibility of the head of centre to ensure that The Adeyfield Academy has in place a written examination contingency plan/examinations policy which covers all aspects of examination administration. This will allow members of the senior leadership team to have a robust contingency plan in place, minimising the risk to examination administration, should the examination officer be absent at a crucial stage of the examination cycle. At all times, The Exams Officer and the Senior Leadership Team (SLT) will liaise with the relevant Awarding Body to ensure any contingency plans meet with its requirements and that JCQ regulations are adhered to.

Causes of potential disruption to the exam process:

1. The Exams Officer's extended absence at key points in the exam cycle
2. SENCo extended absence at key points in the exam cycle
3. Teaching staff extended absence at key points in the exam cycle
4. Invigilators - lack of appropriately trained invigilators or invigilator absence
5. Exam rooms - lack of appropriate rooms or main venues unavailable at short notice
6. Failure of IT systems
7. Emergency Evacuation of the examination room (or Centre lock down)
8. Disruption of teaching time – centre closed for an extended period
9. Centre unable to open as normal during the exams period
10. Candidates unable to take examinations because of a crisis – centre remains open
11. Disruption in the distribution of the examination papers
12. Disruption to the transportation of completed examination scripts
13. Assessment evidence is not available to be marked
14. Centre unable to distribute results as normal
