Watch this TED Talk titled 'How language shapes the way we think

[https://www.ted.com/talks/lera\\_boroditsky\\_how\\_language\\_shapes\\_the\\_way\\_we\\_think?language=en](https://www.ted.com/talks/lera_boroditsky_how_language_shapes_the_way_we_think?language=en)

## The ethics of vaccination

With the outbreak of the Covid-19 pandemic there has been lots in the news regarding vaccinations. But despite the messages from government to get vaccinated there is still a significant minority of anti-vaxxers.

What are the ethical arguments surrounding vaccinations?

Click on the links to access some information about vaccinations and the second link to access some case studies and ethical questions about vaccinations and other medical topics.
