					7pm			
Extra!						8pm		
9 - 9:50					9pm			

Power Hour

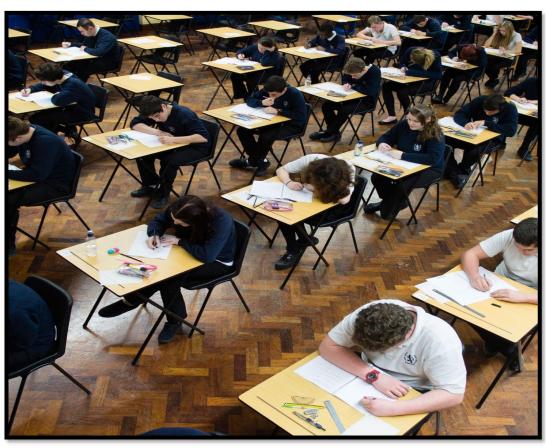

The LRC will be open every day from 7:30am for students to study

The LRC is also open every afternoon from 3pm - 4:15pm

Mock Exams

Deliberate Practice

- Motivating students to start revision early
- Practicing effective revision strategies
- Improving knowledge
- Practicing under exam conditions
- Identifying topics that need attention

Mock Results Day

Mock results day 22/11/22

Each students had their own envelope with their subjects and grades, laid out exactly as their GCSEs would be.

The experience was designed to give students a similar sense of feeling of what the actual day would be like in August but also remind them of what they and all of us were working for every day.

Learning Without Limits

Accelerate Raffle

ACCELERATE @ ADEYFIELD RAFFLE

When you attend a revision booster, collect a raffle, write your name on the back of the raffle and hand to Mr Hoque.

A number of prizes will be up for grabs. A raffle will be picked every week in the build up to exams.

YOU NEED TO BE IN IT TO WIN IT!

This motivation system was used to reward individual students. Students earned a raffle from their subject teachers if they showed the following:

- Attendance for interventions
- Outstanding work in lessons
- Excellent homework
- Any other reason by their subject teacher

Extra Curricular

Students who participate in extracurricular activities have a marked improvement in their grades. This can be attributed to skills they learn such as better time management to accommodate their hobbies and class activities, better organisational skills and a boost in their self-esteem.

Holiday Boosters

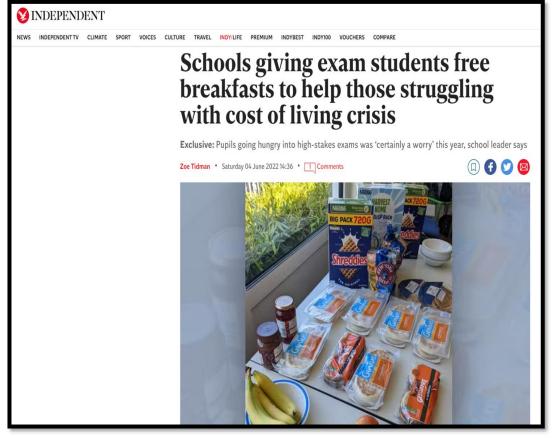

Easter GCSE Boosters Sessions

	Day	Date	Morning 9am - 11am	Mid Morning 11am - 1pm	Afternoon 1pm - 3pm
er	Mon	4th April	English Literature (Grades 5-9) EN1 (GHD) Eng Language EN5 (ETL)	DT - NEA TE1 (SRY) Maths F MA1 (ECK)	DT - NEA TE1 (SRY)

	Thu	7th April	Music MU1 (MFI) Science SC1 (CWN)	Music MU1 (MFI) Maths F MA1 (ECK)	Music MU1 (MFI) Science SC5 (PRN)
	Fri	8th April	DT-Exam Prep SC8 (SRY)		

Booster Breakfast

In light of the national living crisis and to ensure that all students did not go hungry in the morning, students were provided with a morning breakfast in the school canteen which compromised healthy snacks, fruits, drinks and a tasty bagel.

Booster Breakfast

In light of the national living crisis and to ensure that all students did not go hungry in the morning, students were provided with a morning breakfast in the school canteen which compromised healthy snacks, fruits, drinks and a tasty bagel.

Take Note Board

Each week the staff and students at The Adeyfield Academy wished the Year 11 students their best for their examinations on the Take Note board. The Year 11 students can be seen on a daily basis reading some of the lovely good luck messages from the school community each morning, with one Year 11 student saying 'everyone is so nice, I love reading this every morning'.

Learning Without Limits

Accelerate Pep Talks

To inspire and motivate students before each exam, the HOFs for every subject have been delivering Accelerate Pep Talks (APTs) in the gym to ensure students are in the right mindset as they walk up to their examinations. One of the most inspirational was from Mr Starr giving the Year 11 students an Accelerate Pep Talk for their first Science exam by reading a wonderful British & Irish Lions poem that inspired a roar from the students.

5 Star Students

"Character matters. Maybe just as much as grades.

Possibly even more so"

C J Simister

Curriculum, Teaching & Learning

- High expectations
- Unconditional belief that every child can achieve their potential regardless of starting points

Quality delivery of a broad, balanced and coherent curriculum

Progressively building on knowledge and skill

 Captures students' interest, developing them in for future careers and life ahead.

 Teachers use their subject expertise to plan and teach lessons that enable students to learn exceptionally well

- Students with any barriers to learning have access to and benefit from the same high quality experiences as their classmates
- Clear learning intentions, responsive teaching and literacy and numeracy are embedded into lessons

 Sharp and incisive formative (and summative) assessment and feedback, is used to promote progress

Welcome Year 10 & 11

Learning Without Limits
