

## KS3 Home Learning

Currently all Home Learning is recorded on Edulink by the Class Teacher and recorded by the student in their planner. Students are able to access this from home and parents can view the Home Learning set through their planner and Edulink. Your child's class Teacher will also have the use of Google Classroom for them to submit any electronic Home Learning, however it must still be recorded on Edulink.

### **Subject Type Expected**

Core x 1 hour per week

Non-core x 1 hour per two-week cycle

\*Creative Arts & Sport (CAS) ▪ No home learning (expectation is that all students regularly attend 1 CAS club per term)

### **Maths**

The Maths Department will use Dr Frost as a platform to set and mark home learning. All students have their own unique username and password.

### **Global Studies**

The purpose of home learning in Global Studies at Key Stage 3 is to extend and deepen a student's knowledge and understanding. Home Learning is linked to the topic that students are currently studying and is designed to add context and background understanding. ▪ For Spanish, home learning will be set once per week. There will be a maximum of three home learning tasks per half term for Geography and History. Citizenship and RE there will be a maximum of two home learning tasks. ▪ Home learning tasks will be added to student books at the appropriate point to enable reflection and/or revision to take place as necessary.

### **Design and Technology**

In Creative Industries 'rotation', one Homework per cycle of 2 weeks will be given at the appropriate time in whatever subject they are studying in the rotation.

### **Art**

In Art, students will be given one homework per cycle.
