ACTION PACKED ADEYFIELD

Monday 20th November 2023

Issue 03

ACE School of  
CHARACTER

## Dear Parents and Carers,

The past couple of weeks have been packed full of activities alongside our usual school day here at The Adeyfield Academy.

Year 11, 12 and 13 have been sitting their mock exams. This is a great opportunity for them to identify the key areas they need to focus on in the coming months before sitting their external exams. Mock exams are also a chance to ensure all students feel comfortable and confident both in their ability to apply their knowledge and understanding and with the processes and regulations for external exams. I look forward to sharing mock results day with you all on Tuesday 28th November.

Whilst our Year 12 students are really starting to settle into Sixth form life at The Academy we already look ahead to next year's cohort. On Thursday 30th November we open our doors to current Year 11 students at our Sixth Form Open Evening. This is a great opportunity to find out more about your options for next year and make an informed decision about where is best for you to study. Mr Cook will be available for all your burning questions. We hope to see many of our current students on the evening.

Miss Forni has been meeting with our student forum representatives from each tutor group to discuss a new project called 'everybody is welcome' with the support of Mrs Bamborough, an initiative to continue to make our school environment inviting and

welcoming. Thank you to all the students who contributed during the student voice session, I am very much looking forward to reviewing your ideas.

The final cast list has now been announced for the highly anticipated musical this year, *Legally Blonde!* After the success of *Matilda* I am sure interest will be high and I can't wait to see the progress you all make. Don't forget there are opportunities both on stage and backstage so if performing isn't what you enjoy, why not try lending your hand in the technical team or backstage?

We have also held our annual talent show, Adeyfield's Got Talent, as always this was a great opportunity for students to showcase their talents to a large audience. It was fantastic to see a huge range of acts and well done to everyone who took part, you all demonstrated huge amounts of courage and congratulations to our winner, Maise C!

As part of our rich Personal Development curriculum, we welcomed Paul Hannaford to the academy to share his experiences with students about the dangers of drug and alcohol addiction, knife crime and county lines. His hard-hitting message ensured that students were fully informed about the risks involved. Alongside this, Miss Walbank delivered a whole school assembly on the importance of staying safe and students reaching out to their trusted adults.

Finally, as an academy, we took the opportunity to reflect and recognise the personal sacrifices made by men and women, past and present, to protect freedoms we enjoy today. We observed the 2 minutes silence at 11am as a school community on our school courts with the Last Post playing. During the week, students also received an assembly by Miss Gosling sharing the stories from those who served in wars, what they sacrificed and how this has provided us with the lifestyle we all experience today. Our thoughts are with all service families who sacrifice a great deal to keep all safe in the United Kingdom and abroad.

Yours Sincerely

Miss Mason  
Principal

## PAUL HANNAFORD ASSEMBLY

**paul** **DRUG AWARENESS**  
hannaford

On Thursday 19th October, our academy had the privilege of hosting Paul Hannaford, who came to enlighten our students about the pressing challenges that young people face in today's society. Throughout his presentation, he addressed the topics of knife crime, county lines, substance abuse, gang involvement, firearms, bullying, and prison. Paul shared honest revelations and personal insights to highlight the severity of these issues and the importance of making informed choices. He also explained the deceptive nature of county lines and empowered our Year 7 and 8 students to be vigilant. Paul Hannaford's visit left a lasting impression, inspiring students to make wiser decisions and look to an alternate path in order to create a better society.

## TRUSTED ADULTS

On Wednesday 8 November 2023, Miss Walbank delivered a whole school assembly focussing on maintaining a safe culture of openness. Students were asked to complete a safety network by drawing around their hand and selecting their trusted adults. A letter was sent home to parents after the assembly, reminding you that we have a 'trusted adult' system and a student reporting button via RM unify called 'see it, hear it, report it'.

# FUTURE FORWARD THEATRE PRODUCTION

Futures Forward Theatre Production visited The Adeyfield Academy to talk about careers and looking forward. They discussed how important it was to make the right decisions for the right reasons in an engaging student-focused, dramatic performance. The performance challenged perceptions, preconceptions and myths surrounding further education and higher education. To provide students an opportunity to investigate the learning and training options post 16 and how they can lead to higher education. Students had an opportunity to think of the importance of lifelong learning. We hope it motivated Year 8 students to fulfil their potential in education and training whilst encouraging them to plan for a successful future starting with their choices at GCSEs.

## DRAGONS' APPRENTICE

Two sets of Year 12 students have taken part in the Dacorum Dragon's Apprentice challenge, where they have been tasked with the goal of transforming £100 into £1000. They recently visited their two partnered local charitable organisations:

- **Team 1: Waterways Experiences**, which provides boat trips for disabled teenagers and young carers. (Jac P, Lui K, George K, George F, Charlie K, Robyn C, Charlie K)
- **Team 2: Gaddesdon RDA**, which coordinates horseback riding activities for disabled young people. (Angel K, Florence S, Alice C, Safiya U, Cassidy K, Skye P)

So far Team 1 are planning a bingo night and Team 2 are organising a Halloween disco.

## STUDENT FORUM

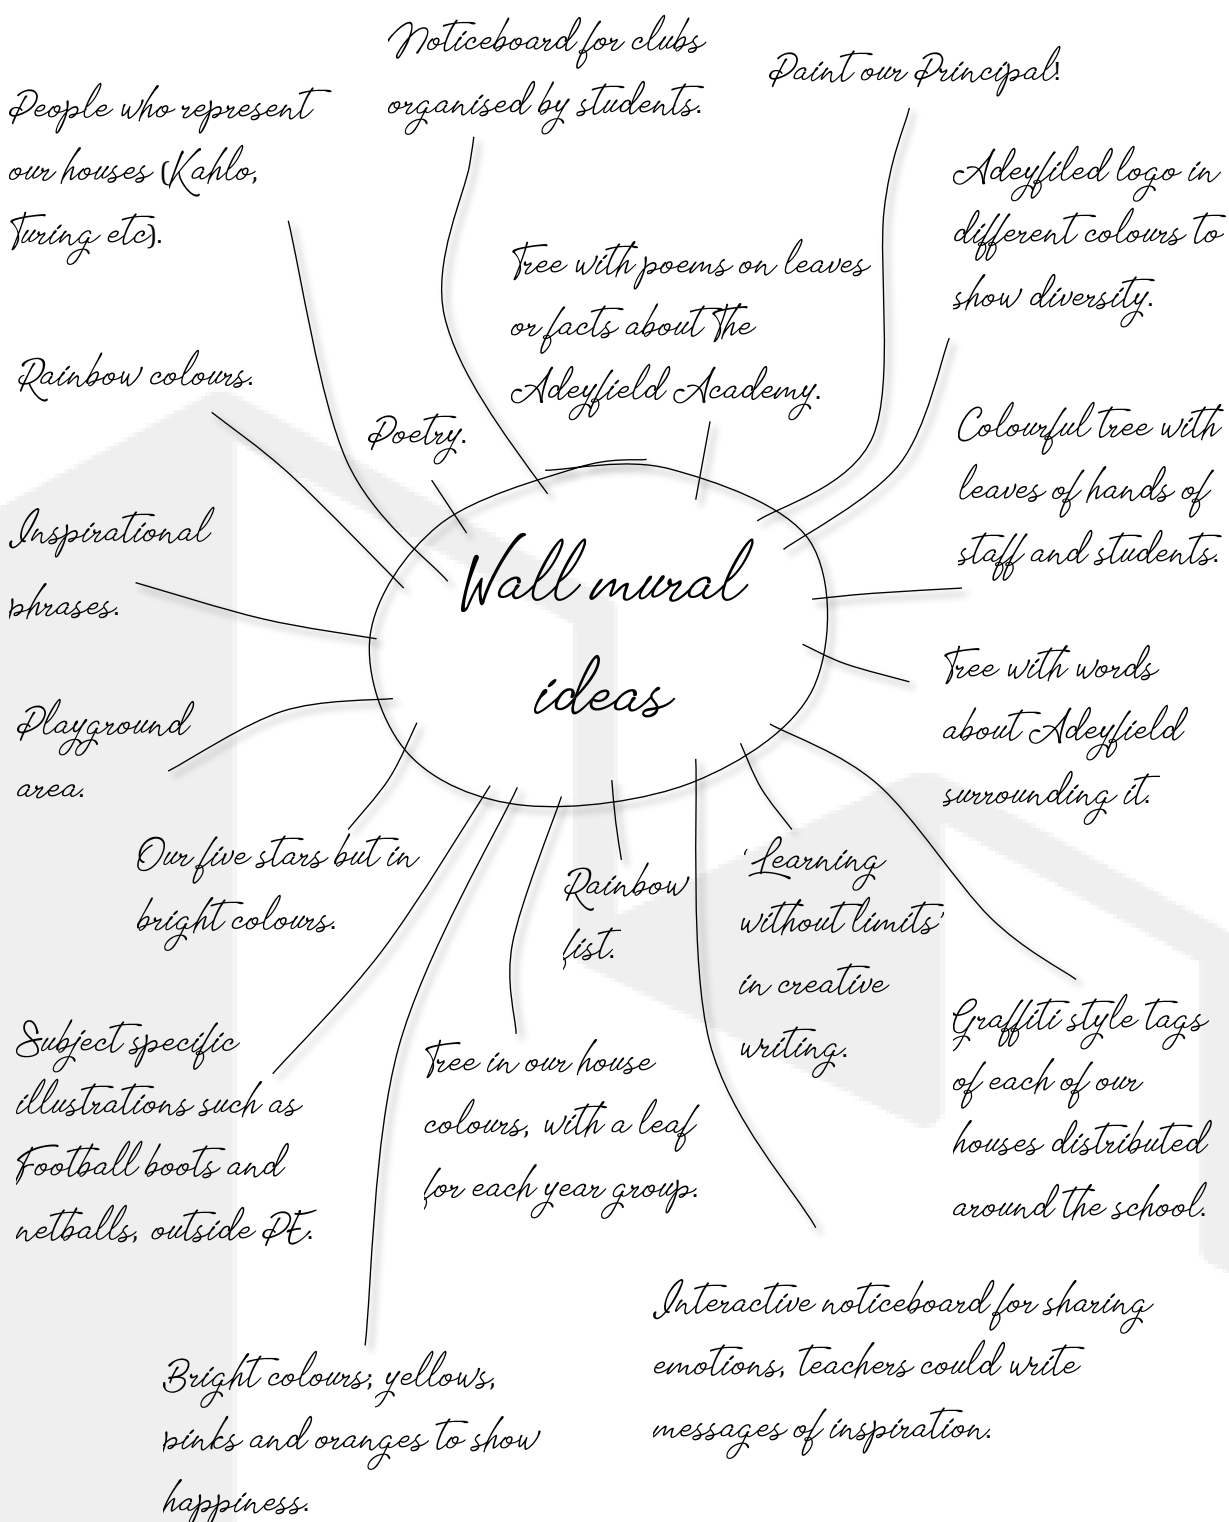

During the last student forum meeting, students discussed having a mural created to promote what it is to be an Adeyfield student and highlighting our school values. The 'everyone's welcome' mural in Hemel Hempstead town centre was used as inspiration.

Possible locations, designs and concepts were offered. It was great to see students be creative with their ideas.

Here are their ideas so far:

Our Food club have made some tasty autumnal snacks of honeycomb and pumpkin apples in their recent cooking club practical.

## BOXING CLUB

## UK PARLIAMENT WEEK - MOCK ELECTIONS

As part of UK Parliament Week, students held a mock election where all students in school were able to vote for their chosen political party. Sixth form students were the candidates and each produced a short election campaign video for the Conservatives, Labour and the Lib Dems. Students were then shown and were able to cast their votes. Well done to all who took part, the winning party were the Conservatives!

### SEMI FINALS

The happy expressions say it all! Our Year 7 netball team has reason to celebrate as they have advanced to the semi finals of the netball cup after their victory against JFK school on Tuesday 17 October. We wish them all good luck in their next game.

### GOLF SUCCESS

Well done to our Year 9 Golf star for picking up 2 trophies and finishing this year's tour 4th out of 60 golfers. We look forward to hearing about their continued success in the remaining competitions.

### MORE NETBALL

Our Year 8 team sneaked a win against Tring A side and a win against Tring B side on Wednesday 14th November in a recent home fixture. Congratulations to the team.

### SENIOR NETBALL

Well done to our senior girls' netball team for winning 15-5 against the former league winners, Ashlyns. The team put in a fantastic performance, with player of the match going to Florence.

On 14 November they also won 24-7 against Tring which was a huge win, considering 4 years ago the score line looked the other way around. Well done to all involved.

## YEAR 7 BOYS RUGBY

On Tuesday 7th November, the Year 7 boys played their first full competitive match as a team away against Ashlyns. The first half was closely contested with Dan turning over the ball regularly and two great tries from Beau and Jax. Unfortunately the second half did not go as planned and despite having the advantage of a slope, Ashlyns managed to score several more tries, resulting in a final score of 10 tries to 2.

There were lots of positives to take away from the game with the boys starting to play more effectively in the second half and even though we came away with a loss, no one gave up and all students showed resilience and kept playing to the final whistle. The team were commended by the opposition coach for their quick and efficient passing in the final stage of the game.

**A reminder that training is every Tuesday after school until 4.00pm. It would be great to see more boys attending.**

## ADEYFIELD'S GOT TALENT 2023

Wednesday 18th October was truly an unforgettable evening! The Adeyfield's Got Talent show this year was absolutely marvelous, with every finalist showcasing their incredible talents. A big congratulations to all the participants, and a special shout out to our outstanding winners: Ellen T, who claimed the well-deserved 1st place, Maisie C, who secured the 2nd place spot, and Millie R, who took home 3rd place. We would also like to express our gratitude to everyone who attended and showed their support for the event.

In addition to the incredible performances, we also made an exciting announcement; This year's Performing Arts production will be Legally Blonde Jr! Get ready to be dazzled by our talented cast and crew as they bring this fantastic show to life on stage.

## ANTI-BULLYING WEEK: ODD SOCKS DAY

**Anti-Bullying Week** runs between Monday 13 November and Friday 17 November 2023. On **Monday 13 November** students were invited to come to school in their best pair of odd socks. The theme of this year's Anti-Bullying Week is 'Make A Noise About Bullying'. Well done to those that took part to be united in showing that we all stand against bullying in all its forms.

# REMEMBRANCE DAY

## War Poem

In the trenches, where hope seemed lost,  
Brave soldiers stood, paying the cost.  
Their hearts so heavy, burdened with pain,  
As war's relentless grip tightened its chain.

Through the smoke filled air, they marched on,  
Brothers in arms, their bond never gone.  
From Flanders fields to Somme's bloodied ground,  
They fought with courage, their strength profound.

The poppies bloomed, a poignant sight,  
A symbol of sacrifice, shining bright.  
For in the midst of chaos and despair,  
They showed the world that they still cared.

By Connie W, 8K

On Friday 10 November, the whole school community gathered on the courts to observe 2 minutes silence to commemorate Remembrance Day and those that served, this was following the sound of the bugle which signified the start. Students in voluntary –military organisations, wore their organisations uniform to school on this day.

Young People's Health & Wellbeing Survey

In November Hertfordshire County Council and partners are running a **20 minute anonymous online** survey across secondary school aged pupils in the county to help us plan services and support for young people. This is the fourth year of running the survey with more than 11,000 responses recorded last year.

The link to the survey can be found below. The survey will go 'live' at 9am Monday 6th November, and close on Wednesday 20th December. A reminder will be sent to schools.

## HERTS HAVEN CAFES

A new Herts Haven Café is opening at the Quaker Meeting House in Hemel Hempstead from 9 November. It is following the same drop-in support model of the [Herts Haven Cafés for 10-18 year olds](#) which opened in the summer (July 2023).

The new Hemel Hempstead Café is open on Thursdays (starting 9 November: 3.30-8pm) and Saturdays (starting 18 November: 12-5pm). Hertfordshire Mind Network who host all the Cafés hope the new location will provide even more young people with opportunities to easily access drop-in emotional wellbeing support.

The Café provides a safe and welcoming drop-in space for compassionate face to face emotional and mental wellbeing information, as well as support and guidance from trained workers, without the need for a referral. Young people can also access digital emotional and mental wellbeing support services, speak to other people who may be experiencing similar things and also gain a better understanding about ways in which they can keep themselves emotionally and mentally well.

[Find out more here.](#)

- ◆ Emotional support tailored to your needs
