

Adeyfield Academy
English Faculty

Coronavirus Contingency Plan

In the event that that the school should close the English Faculty will put into place the following provision so as to ensure the disruption to student learning is minimised.

KS3 students – Years 7 – 9

All students as part of their home learning are provided with a homework menu that is linked to the current scheme of learning. Students would select normally one activity every two weeks. In other words students would under normal circumstances complete 3 activities out of 9 from the menu. In the event of a school closure students will be expected to select additional tasks – two per week as guidance. Staff will ensure that should the school close homework menus will be reposted on Class Charts. If the closure is planned then students will be given their exercise books and hard copies of the most recent menu to take home with them.

KS4 students – Years 10 & 11

In the event of a planned closure KS4 students will be sent home with their class exercise books and any student resource booklets that go alongside the unit of study. Class teachers will guide students on which activities to complete.

In the event of an unplanned closure students can access the following Literature based resources online including:

- Seneca
- GCSE Pod
- BBC Bitesize
- Spark Notes - No Fear Shakespeare – Macbeth
-

Revision activities can include

- Making revision cards (Plot, Themes, Characters, Context) – Macbeth, A Christmas Carol, An Inspector Calls
- Revision cards for the Poetry Anthology – Power & Conflict (Subject, Tone, Language, Structure)

Staff will also post home learning activities on Class Charts that support the GCSE Language programme of study

Post 16 students – Years 12 & 13

In most cases KS5 students have on going home learning or coursework tasks that they can work on at home. In the event of a planned closure staff will ensure that students are provided with clear guidance on activities that they should be

completing at home. In the event of an unplanned closure students can access the following work online that links to their current programme of study:

- Spark Notes No Fear Shakespeare – Hamlet
- Poems of the Decade – You Tube - Dr Jain tutorials
