Work will be set by individual teachers but pupils may also complete their own revision by tailoring which questions they attempt to the outcomes associated with their most recent mock results.

This can be achieved by once logged in, on the top menu bar clicking onto videos.

Videos → Qualification: GCSE → Tier: Foundation or Higher → Search: type in topic

Edexcel past papers, 6 in total have already been uploaded to each pupils account to attempt past papers.

Emergency Closure KS5

In the event that there is an emergency school closure, the following is appropriate work for the Yr 12 and Yr 13 Mathematics A level Group.

Yr 12

All mixed exercises from Pure Year1 and Stats/Mech Year 1

There are also two review exercises, one of which has been done before.

There is also a practice paper at the end of the book.

Yr13

I will attach through classcharts all past papers and mark schemes

All mixed exercises from both years should be redone especially the exam questions in red.

Solution bank has worked examples of how to complete the questions.
