Uniform and Equipment Policy

Date: November 2025

Review Date: November 2026

Co-ordinator: Mr M Molokwu

Signed by..... Dawn Mason (Headteacher)

Signed by..... Kim Bristow (Chair of Governors)

1. Purpose

A uniform binds us together as a community and allows us all to relate to one another on a similar level. It provides guidelines for suitable dress in a learning environment. Learners at The Adeyfield Academy are proud to wear the uniform that represents their school, including the official school crest, which reflects our identity and values. Visitors often comment on how well our students are presented.

Through our uniform policy and dress codes we aim to:

- Encourage pride in the school
- Encourage a sense of equality and cohesion
- Protect students from social pressures to dress in a particular way
- Ensure that students of different social, religious and ethnic groups feel welcome
- Support teaching and learning
- Provide a safe and secure environment in which students learn how to dress appropriately.

In these ways, the uniform and dress codes support the overall aims of the school.. This policy applies to uniform worn by Year 7-11 and Post 16 dress code.

This policy has been formulated within the guidelines of ensuring compliance with a school's obligations under the Human Rights Act 1998 and the Equality Act 2010. Due consideration has been paid to the Department for Education's statutory guidance on affordable school uniforms, first introduced under the Education (Guidance about Costs of School Uniforms) Act 2021 and updated in October 2025, which requires schools to keep branded items to a minimum and ensure multiple affordable options are available.

2. Aims

A high standard of personal appearance is expected of, and from, all learners. This policy aims to:

- Clearly outline the dress expected of all learners if they chose to attend The Adeyfield Academy (TAA)
- Provide guidance for the purchasing of uniform
- Set out an approach to requiring a uniform and equipment that is of reasonable cost and offers the best value for money
- Set out ways that support can be put in place to ensure that financial hardship is never a barrier to a student attending TAA
- Outline the consequences for learners who choose not to adhere to the uniform code or equipment requirements

3. Procedures

This uniform policy is designed to avoid discrimination and to promote equality, ensuring that all learners are treated fairly and with respect across these protected characteristics:

- sex
- religion or belief
- race (including colour, nationality, ethnic or national origin)
- disability
- gender reassignment
- pregnancy

To avoid discrimination, the academy will:

- Avoid listing uniform items based on sex, to give all learners the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all students
- Allow all learners to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Consider requests to wear religious items in line with the school uniform policy – noting such requests will only be accepted in exceptional circumstances where the requirements of the Equalities Act 2010 are met.

3.6 Inclusivity and Cost of Uniform

- We want to ensure that the cost of uniform does not deter any learner from applying to the school, nor lead to learners feeling socially excluded or unable to afford other necessities.
- Due consideration has been paid to the Department for Education statutory guidance under the Education (Guidance about Costs of School Uniforms) Act 2021, and the updated guidance issued in October 2025, which requires schools to keep branded items to a minimum and ensure affordable options are available.
- We understand that items with distinctive characteristics (such as branded items, or items that must carry a school logo or use a unique fabric/colour/design) cannot be purchased from a wide range of retailers, and that requiring many such items limits parents' ability to shop around for a low price. As such, these items are kept to an absolute minimum.
- The policy provides multiple options for uniform retailers. If any family would like assistance with basic uniform items, please contact the Head of Year. Such approaches will be handled with discretion and sensitivity.
- All students are expected to wear the agreed school uniform. The school will support families facing genuine financial hardship to ensure no student is denied access to teaching and learning due to uniform requirements
- The PTA holds regular nearly-new uniform sales, selling items at significantly reduced cost.
- This approach ensures that learners from all social, religious, and ethnic backgrounds feel welcome and included, while preparing for the new statutory requirements that will take effect from September 2026.

3.7 Responsibilities for the Uniform / Post 16 Dress Code and equipment Parents/Carers

- It is the responsibility of parents to ensure that their child comes to school in the correct uniform and that all items are correctly fitting, in good condition/repair.
- It is the responsibility of the parent/carers to replace any outgrown, lost or damaged items

3.8 School Staff

- All staff are responsible for monitoring uniform/dress code; all staff have a responsibility for ensuring that students are correctly dressed in lessons and elsewhere on the school site.
- A student wearing non-uniform/inappropriate clothing will be asked to rectify it immediately and may be issued with a 15 minute detention in line with the school's Behaviour Policy. If a student fails to remove an item/rectify the infringement, this will be considered defiance and sanctions implemented in line with the school's Behaviour Policy.
- In the case of jewellery and other accessories, the student will be asked to remove the item, which may be confiscated. If a student fails to remove an item, this will be considered defiance and sanctions implemented in line with the school's Behaviour Policy.
- In the event of repeated uniform/dress code infringements parents will be contacted and the student will risk being internally withdrawn from lessons being placed in Return 2 Learn or other sanctions being applied, according to the school's Behaviour Policy.
- Post 16 students who fail to adhere to the Dress Code may be sent home to change.
- The uniform policy and dress code apply to students travelling to and from school and taking part in school-related activities within and beyond timetabled lessons, on and off the school site, for example during educational visits, unless otherwise stated.
- Issues arising from the policy - parents should raise any issues relating to school uniform, Post 16 Dress Code or other aspects of appearance with the Headteacher.
- Requests to vary the uniform requirements for particular reasons such as medical needs will be carefully considered. While we aim to accommodate individual circumstances, it may not always be possible due to health and safety, security, or the maintenance of good order within the school. In accordance with the Department for Education's statutory guidance on school uniform (November 2019, updated October 2025), students have the right to manifest a religion or belief, but not necessarily at all times, places, or in a particular manner. Where a school has good reasons for restricting an individual's freedoms — for example, the promotion of cohesion and good order, or genuine health and safety or security considerations — such

restrictions may be justified.”

- Students should raise issues with their Form Tutor or Head of Year. They may also request that uniform matters, including proposals for change, be added to the agenda of Student Parliament meetings.
- The Headteacher is the final arbiter in all matters of uniform and dress.

- Is appropriate for our school's context
- Is implemented fairly across the school
